CHAIRMAN'S MESSAGE

Interwood is today a household brand name that is synonymous with high-quality international standard furniture, including home & office furniture, kitchens, doors, wardrobes, flooring, accessories and so much more. In addition to catering to homes, however, we also lend our brand of ready-made and customized furnishing solutions to hospitals, educational institutions, banks, corporations, hotels, luxury residences, retail brands and mega infrastructural projects like international airports. We are humbled by our achievements and are grateful to our partners, our competitors and of course our customers in helping us reach to where we are today. We remain ever-committed to continue evolving and delivering high-quality and affordable products to our customers.

PURPOSE

To inspire everyone for a better lifestyle.

VISION

Becoming the global lifestyle trendsetter, loved by all at home and at the workplace.

OUR VALUES

Love for Customers
Service | Respect | Agility

Re-Imagine
Growth | Innovation | Automation

Transparency
Honesty | Openness | Accountability

Collaboration
Connection | Empowerment

Our Manufacturing Facility, Lahore

Interwood's state-of-the-art manufacturing facility spans 600,000 sqft. and is equipped with over 300 of Europe's modern machines including fully-automated technology that is capable of processing a variety of different components for various products ensuring maximum efficiency and flexibility in production.

At Interwood Mobel Pvt. Ltd. quality is an integral part of our core business values. We are committed to delivering the top-most quality products, conforming to the highest international standards.

Our effective and efficient Quality Management System is based on the requirements of ISO 9001:2015. Our commitment to excellence is based on continual improvement in design, technology, materials and human resource development.

Ever since its inception in 1974, Interwood has directed its efforts in developing better interiors for homes and corporate establishments. It is our constant endeavor to raise standards in design, quality, durability, and innovation – the only aspect we ever lower, is the price. Our designers think differently, they understand the varied moods, colours, and temperaments. All our products are designed with only one thing in mind – You!
